

GREAT WAYS TO CELEBRATE!

When you have completed The Water Challenge, it's time to **celebrate!** Here are some great ways to do just that.

- ▶ Count your funds as a group. When you have the total, divide by 10. That's the number of **lives you have changed!**
- ▶ Distribute " **I gave water**" stickers. Display them on your shirt or on a favorite book cover.
- ▶ Ask a local restaurant to donate coupons for a free beverage or sandwich to each participant.
- ▶ Serve ice cream floats as a project wrap-up. (Your local grocer might even donate the supplies.)

OR

- ▶ Develop your own celebration plans and send them to info@thewaterproject.org so that we can post them on this page!
