- WEIR
- WASTEWATER

• marks words connected to our work bringing clean water to communities in sub-Saharan Africa.

WHY THIS MATTERS

663 million people lack access to clean water. Since 2006, The Water Project has partnered with communities in Kenya, Uganda, and Sierra Leone to build wells, boreholes, and sanitation projects — with real-time tracking so you can see the impact.

1M+ PEOPLE SERVED **98%** FUNCTIONALITY RATE **20 yrs** ON THE GROUND
